## 3 PRAYERS FOR PUBLIC AUTHORITIES

Portions of these prayers authored by Sandra Tharakan

### **Prayer for Leaders & Government**

Lord, Your glory shines over this city. Guide our leaders with wisdom, integrity, and courage. May they serve with justice, truth, and humility.

Encourage them when they feel overwhelmed. Make Yourself known to them, and remind them they are appointed for such a time as this.

### **Prayer for Their Families & Well-Being**

Strengthen and protect their families. Bring healing where needed and bless their daily routines. Help them pursue healthy living, meaningful family time, and rest. Let their homes be filled with peace.

### **Prayer for Salvation & Wise Counsel**

May each leader come to understand Your sacrifice and receive Your salvation. Surround them with wise, godly advisors who uphold righteousness.

Raise up modern-day Josephs, Esthers, and Daniels to influence government with godly wisdom.
